# *Announcement*

It is with much pleasure and a feeling of satisfaction that we can again invite everyone interested in good Shorthorns to attend our annual sale October 6th. Every effort has been made to assemble an offering of cattle for this sale that would justify the expenditure of time and expense of any breeder to come to the sale.

We have tried to make the offering attractive to the most critical buyers and to those farmers who are seeking breeding stock with which to improve their herds, whether they be pure-bred herds or grade herds.

We think that we have been successful to that end and that you will be justified in making a considerable effort to join us sale day.

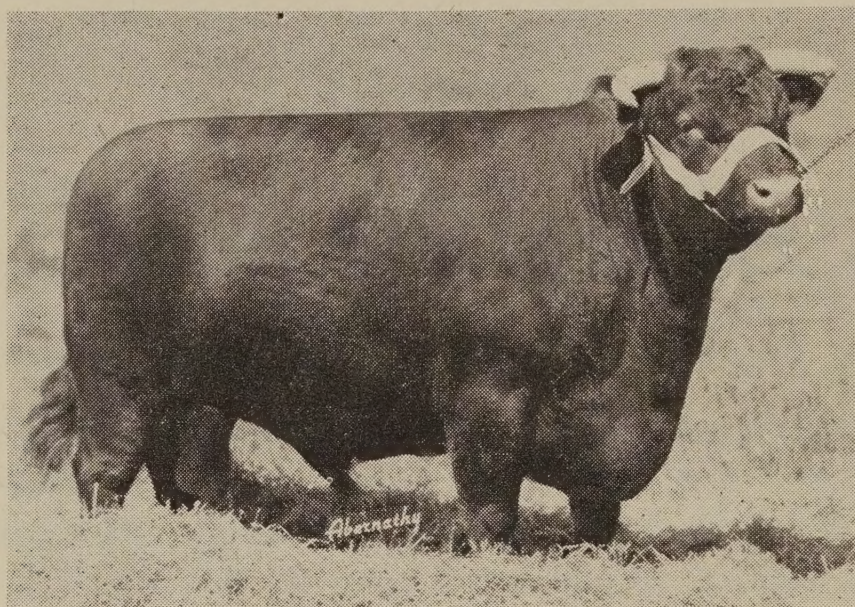

We sincerely hope that you will honor us with your presence.
